In the middle of a crowded room alone  
Surrounded by familiar faces of  
All these strangers I know  
Wonder how I got so far from home  
Just wishin' I could find my way back to  
The love and the life I let go

There's so many places we've all been  
When we'd give anything for a true friend  
But I've come to know His arms are open  
Waiting to hold me

I'm so alive  
(Vuelvo a vivir, todo mi ser, vuelve a sentir)  
For the first time in my life  
There's a passion inside me  
Lord, by Your side  
(Mi coraz'n, hoy tiene amor sin condici'n)  
My heart has found a home  
Now I'm never alone

Lying awake tonight  
The noise of the day still echoes on  
In the silence I hear  
I open my heart and I close my eyes  
I feel the peace come back to me  
And I know He is near

There's so many things that we can't see  
We wonder and worry what will be  
But I've come to know His heart is open  
Wanting to show me

I'm so alive  
(Vuelvo a vivir, todo mi ser, vuelve a sentir)  
For the first time in my life  
There's a passion inside me  
Lord, by Your side  
(Mi coraz'n, hoy tiene amor sin condici'n)  
My heart has found a home  
Now I'm never alone

No primera vesta nunca siento s'lo  
With You in my heart I can fly  
Above the darkness of a long and lonely night  
I'm gonna breathe the air that brings me to life  
I'll find any way to be near You  
My one and only light

Vuelvo a vivir  
(Vuelvo a vivir, todo mi ser, vuelve a sentir)  
Por primera vez en mi  
Siento una pasi'n surgir y  
Mi coraz'n  
(Mi coraz'n, hoy tiene amor sin condici'n)  
Ha encontrado un nuevo hogar  
And I'm never, never alone

I'm so alive, You're by my side  
For the first time in my life  
There's a passion inside me  
I'm not alone, no love has shown, I'm now my own  
My heart has found a home  
Now I'm never alone  
Never alone
