I feel tears wellin' up from deep inside like my heart's
sprung a big break
And a stab of loneliness sharp and painful that I may
never shake
You might say that I was taking it hard since she gave
me the final goodbye
But don't you wager that I'll hide the sorrow when I may
break right down and cry
Now the race is on and here comes pride up the
backstretch
Heartache is going to the inside
My tears are holding back they're tryin' not to fall
My heart's out of the running true love scratched for
another's sake
The race is on and it looks like heartaches and the
winner loses all
[sax]
One day I ventured in love never once suspectin' what
the final result would be
How I lived in fear of waking up each morning and
findin' that you're gone from me
Cause there's ache and pain in my heart for today was
the one that I hated to face
Somebody new came up to win him and I came out in
second place
Now the race is on...
