I feel tears wellin' up from deep inside like my heart's  
sprung a big break  
And a stab of loneliness sharp and painful that I may  
never shake  
You might say that I was taking it hard since she gave  
me the final goodbye  
But don't you wager that I'll hide the sorrow when I may  
break right down and cry  
Now the race is on and here comes pride up the  
backstretch  
Heartache is going to the inside  
My tears are holding back they're tryin' not to fall  
My heart's out of the running true love scratched for  
another's sake  
The race is on and it looks like heartaches and the  
winner loses all  
[ sax ]  
One day I ventured in love never once suspectin' what  
the final result would be  
  
How I lived in fear of waking up each morning and  
findin' that you're gone from me  
Cause there's ache and pain in my heart for today was  
the one that I hated to face  
Somebody new came up to win him and I came out in  
second place  
Now the race is on...
