Im like a dead man walking  
Feel my pain  
Ive seen the sky falling  
Oh Lord,  
Its falling again

I dont feel like a martyr  
But maybe I am  
To you Im the devil  
With a gun in my hand  
But Im still a dead man walking  
Either way in no mans land

And freedom  
I said freedom  
Is something  
Ive never had

All that I want from you  
Is only what I need from you  
All that I need to do  
Is want you to need me too

Im just a young man wandering  
In the fields my father claimed  
I look to keep on wandering  
Oh Lord I feel no shame  
Cuz freedom  
I said freedom  
Is something  
That I deserve

All that I want from you  
Is only what I need from you  
All that I need to do  
Is want you to need me

Too many years  
So many gone  
Who has the right  
To say that were wrong?  
Open my eyes

Fill up my heart  
Oh God

All that I want from you  
Is only what I need from you  
All that I need to do  
Is want you to need me, too

Dont you need me?  
Dont you need me?  
Dont you need me?  
Dont you need me?
