Im a dreamer
Thats all Ive ever been
Im so far gone
Im in knee deep
And if it werent for you
You keep me dreaming
I dont think I would ever be

(let me dream, dream on with me)
Silver spoons
Green grass
Full moons
Let me make believe

Im leaving home
On my own
Ive got so much to give
I need more room to roam

Im a dreamer
And Ill be what I wanna be
I sure dont care
What you need me to be

(let me dream, dream on with me)
Silver spoons
Green grass
Full moons
Let me make believe

How in the world am I supposed to know
When Im supposed to go?
What in the world do you want me to be?
Did you expect me to be
What I couldnt be?

Im a dreamer

Thats what I wanna be
Dont waste your precious time
Trying to rescue me

A dreamer, dont care about nothin else I see
All that I wanna be
You better let me be

(let me dream, dream on with me)
Silver spoons
Green grass
Full moons
Let me make believe

(let me dream, dream on with me)
Silver spoons
Green grass
Full moons
Let me make believe

(let me dream, dream on with me)
Silver spoons
Green grass
Full moons
Let me make believe

(let me dream, dream on with me)
Silver spoons
Green grass
Full moons
Let me make believe

Im a dreamer
Thats all Ive ever been
Come on now
And dream with me
Dream with me
