The fire of love  
Is burning deep  
The fire of love  
Won't let me sleep  
Oh my love  
Hear this my plea  
Because of you  
It's burning me

The sun beats down  
With it's fiery glow  
Knows I won't see  
My love no more  
I'm sorry for  
The things I've done  
Forgive me dear  
My only one

My baby's back  
Once more she's mine  
To have and hold  
'Til end of time  
The moon shines down  
From up above  
It's light to cool  
The fire of love

The fire of love  
The fire of love  
The fire of love
