If Im not in love with you
What is this Im going through, tonight?
If this heart is lying
Then what should I believe in

Why do I go crazy
Every time I think about you, baby
Why else do I want you like I do, ho...oh...
If Im not in love with you, hoo...ooh...

And if I don't need your touch
Why do I miss you so much, tonight?
If it's just infatuation
Why is my heart aching

To hold you forever
With a part of me, I thought I'd never
Give again to someone I could lose
If Im not in love with you
Oh, why in fantasy
Do I feel your arms embracing me
Like lovers lost
In sweet desire

And why in dreams do I surrender
Like a little baby
How do you I explain this feeling
Someone tell me

If Im not in love with you
What is this Im goin through, tonight?
If this heart is lying
Then what should I believe in

Why do I go crazy
Every time I think about you, baby
Why else do I want you like I do, ho...ho...
If Im not in love with you

If Im not in love with you
