Gave you love
You did me wrong
Didn't know what to do

But baby
I'm strong
Gonna get over you

A new boy I'm gonna choose.
You'll see - My love was true
Still you threw it all away.
Now other guys will have me
They'll appreciate my love

Tell me
How does it feel?

You know that I needed you

You know that you meant the world to me

You know I had to have you
Now I'm gonna find somebody new!
I'm looking for a new love

Baby
A new love
Yeah
Yeah
Yeah!
I'm looking for a new love

Baby
A new love
Yeah
Yeah
Yeah!

Was she hot? Did she turn you out? Curiosity rules my
brain.
Was she worth my heart? It's torn all apart.
Are you going back again?

Tell me - My love was true
Still you threw it all away.
But now you're like the rest
Unworthy of my best.
Hasta la vista
Baby!

You know that I needed you

You know that you meant the world to me
...

I'm looking for a new love
Baby
A new love
Yeah
Yeah
Yeah!
I'm looking for a new love
Baby
A new love
Yeah
Yeah
Yeah!

Now other guys will have me
They'll appreciate my love

Tell me
How does it feel?
But now you're like the rest
Unworthy of my best

Hasta la vista
Baby!

I'm looking for a new love
Baby
A new love
...
I'm looking For a new love
Baby
A new love.
