I've been watching you  
Watching all the girls go crazy over you  
Meet me on the floor  
and let's talk about the special things you do  
Give me what I want and I'll do  
Just what you want me to do  
'Cause tonight I'm hot  
And you've got something I could really use

CHORUS

I need a love injection  
a bit of your affection  
Love injection  
Won'tcha give it to me (uh)

A love injection  
To cure my infection  
Love injection  
Won'tcha give it to me  
Give me what I miss  
Let me kill your kisses in the dark  
Boy don't make me wait  
Why must you keep me hangin' on  
I'm not hard to please if you  
Give me what I need from you  
'Cause, baby I'm so hot  
And I've got something you could really use.  
I need a love injection a bit of your affection Love  
injection Won'tcha give it to me (uh) A love injection To  
cure my infection Love injection Won'tcha give it to me

I need a love injection a bit of your affection Love  
injection Won'tcha give it to me (uh) A love injection To  
cure my infection Love injection Won'tcha give it to me  
CHORUS  
Oh, C'mon, give me the satisfaction that I like  
Oh yeah, I need a love injection tonight

I need a love injection A bit of your affection Love  
injection Won'tcha give it to me (uh) A love injection To  
cure my infectioin Love injection Won'tcha give it ne, oh

(instrumental break)

CHORUS (repeat to fade out)
