To Be With You

-----Jody Watley & Andre Cymone

Performed by Jody Watley

Hello my special one I?m captured by your charm
I?m so sincere about you boy just let me show you how

Let?s create a mood of love and bathe by candlelight
I?ve been wanting you for oh so long
I?d do anything to be with you

I?d climb highest mountains and swim the deepest sea
I?d do most anything to show my love for you

Close your eyes and picture me wrapped around your
love
Obsessed I am ? can?t get enough I?d give anything to
be with you to be with you

Repeat bridge one - chorus
