What'cha Gonna Do For Me

Did somebody turn that damn music down?

I'm a woman of leisure  
So you better try hard to please her  
I want you to show your loving  
I'll give you all of my time

What'cha gonna do for me  
Will you love me forever?  
What'cha gonna do for me

Can you give me diamonds  
Can you keep me at first  
You know I like to travel 'round the world  
Taking in the globe  
Let me tell you

I only like the finest  
That money can buy  
I'm looking for a real good life  
That's my intention  
Can you dig it

I'm a woman of leisure  
So you better try hard to please her  
I want you to show your loving  
I'll give you all of my time

What'cha gonna do for me

Will you love me forever?  
What'cha gonna do for me

I may sound selfish  
But it's a rich and famous world  
And I'm gonna do the best I can do  
To have it all

I don't want to hurt you  
I'm not that cold

But I'm gonna look out for myself  
Now you've been told  
Can you dig it

I'm a woman of leisure  
So you better try hard to please her  
I want you to show your loving  
I'll give you all of my time

What'cha gonna do for me  
Will you love me forever?  
What'cha gonna do for me

I'm a woman of leisure  
So you better try hard to please her  
I want you to show your loving  
I'll give you all of my time
