When a man loves a woman
They say she could do no wrong
When a man loves a woman
Her nights will never be long

When a man loves a woman
He makes love with pure intensity
And if she wants
He'll do what you do

When a man loves a woman
He's not afraid of his vulnerability
When a man loves a woman
He loves their intertwining sexuality

When a man loves a woman
He might let her see him cry
And he'll never risk losing her
By telling some stupid lie

(MenÃ¢Ä!)

He won't do you wrong
(MenÃ¢Ä!)

He'll love you long
(MenÃ¢Ä!)

(MenÃ¢Ä!)

When a man loves a woman
He might fly her to a night in Rome
This could happen
Though, never leaving home

When a man loves a woman
Yeah, he'll do most anything
And with his presence
A smile he'll surely bring

When a man loves a woman
He won't hesitate to put her first
He'll satisfy her desires
And quench her every thirst

You know he'll think again

When a man loves a woman
He knows you're complex
And knows it takes more to make you happy
Than just giving you sex

When a man loves a woman
He'll never raise his fist
He'll know it doesn't make him more a man
To do this

When a man loves a woman
You'll surely know
And it's as special
As an April snow

(MenÃçÂ€Â¡)
He won't do you wrong
(MenÃçÂ€Â¡)
He'll love you long
(MenÃçÂ€Â¡)
(MenÃçÂ€Â¡)

(MenÃçÂ€Â¡)
Love will bring you home
(MenÃçÂ€Â¡)
Love won't let you roam
(MenÃçÂ€Â¡)
(MenÃçÂ€Â¡)
