Damn, where's my phone?
There it is
Hey, wassup mama?
Won't you let me come through
And see you or something"
What we gonna do?

My body's gon' talk to your body
(And then)
Your body's gon' talk back to mine
(And then)
My body's gon' say to the bedroom
(And then)
Your body's gon' say it's about time
(And then)

I'm gon' strip you to your secrets
(And then)
I'ma taste you where your sweetest
(And then)
I'm gon' give pressure where it's needed
(And then)
And when we're done, we gon' repeat it
(And then)

I'll scoop you in the Bentley
(And then)
We ride
(And then)
I'll feed you
(And then)
(And then)

Some wine glasses of Govea
(And then)
Get lovely
(And then)
To the crib
(And then)
Get touchy
(And then)

Ohh
(And then)
Ohh
(And then)

We'll sit out by the pool
(And then)
I'll make it sexier for you
(And then)
I'm gripin' on your thighs
(And then)
And then I'm starin' in your eyes
(And then)

I got you moaning out real soft like
(And then)
And now you're screaming so let's move inside
(And then)
I'll show you to the bedroom
(And then)
I got you doing what I'd said we'd do
(And then)

I'll scoop you in the Bentley
(And then)
We roll
(And then)
I fed you
(And then)
(And then)

Some wine glasses of Govea
(And then)
Got lovely
(And then)
To the crib
(And then)
Started touching
(And then)

Ohh
(And then)
Ohh
(And then)

I got what you need, girl
(And then some)
I'm gon' get what you need
(And then some)
I'm gon' give you all of me
(And then some, come get some)

I got what you need, girl
(And then some)
I'm gon' get what you need
(And then some)
I'm gon' give you all of me
(And then some, come get some)

I'll scoop you in the Bentley
(And then)
We roll
(And then)
I fed you
(And then)
(And then)

Some wine glasses of Govea
(And then)
Got lovely
(And then)
To the crib
(And then)
Started touching
(And then)

Ohh
(And then)
Ohh
(And then)

I'll scoop you in the Bentley
(And then)
We roll
(And then)
I fed you
(And then)
(And then)

Some wine glasses of Govea
(And then)
Got lovely
(And then)
To the crib
(And then)
Started touching
(And then)

Ohh
(And then)
Ohh
(And then)
