Hey girl I don't mean to bug you but  
I couldn't help but notice how sexy you are  
And baby I wanna know, wassup with you girl  
Oh, 'cuz you caught my attention  
Out here lookin' like a superstar  
And I'm curious to find out who you are

[Chorus: x2]

I hope that you don't mind  
But I couldn't let you pass me by  
Without me approaching you girl  
I wanna get to know you girl

I don't usually do this but baby girl I  
I'd be a fool if I didn't push up on you  
No words can explain how beautiful you are  
Oh, you're flawless as can be girl  
Out here lookin' just the way you do  
And I'm curious to know if I can get to know you

[Chorus]

Girl, oh yeah (Oh girl you must've fallen from Heaven)  
from Heaven  
(A girl like you comes one in a million) one in a million  
Ooo there's nothing, (theres nothing), nothing (in this  
world like your beauty)  
Girl, you've got to be mine

[Chorus]x2

I wanna get to know you girl  
Approachin' you girl  
Approachin' you girl
