(Woah, oh, woah)
So beautiful
Just can't be
More beautiful
You're so beautiful
You just can't be
More beautiful
(Oh, woah, woah, woah
Beautiful
Woah, woah, woah)

When I look
Into your eyes
It's like staring
At the stars
In the night
It's like learning
Every reason why
You're my Earth
My sun
The center of my life
If your name is love
Then I know
There's a god above
Who wants me
Just the way I am
And that's enough
To believe
And be the only one
I trust
Now that's love

When the storm
Gets rough
She calms the rain
When time gets
Tough
Ahe don't complain
When it's hard
To breathe
She breathes for me
Baby

You're all I need

Through
The heartache
And pain
It's your love
That remains
If this road
Says one thing
It's your beautiful
You're beautiful
All the hell
You've been through
I don't know
How you do it
Wishing
I was more like you
Cause you're beautiful
You're beautiful

I'm in living
In a dream
It's like a (?)
This is
Supposed to be
You're like the land
When I'm far
Out in the sea
Just like a saint
Who's life
Has been redeemed
That's how
You change me

When the storm
Gets rough you
Calms the rain
When time gets
Tough you
Ease the pain
When it's hard
To breathe
You breathe for me
Baby
You're all I need

Through
The heartache
And pain
It's your love
That remains

If this road
Says one thing
It's your beautiful
You're beautiful
All the hell
You've been through
I don't know
How you do it
Wishing
I was more like you
Cause you're beautiful
You're beautiful

(2x):
L
Is for the love
That you show me
O
Is for the opposition
You went through for me
V
Is for the vows
You care faithfully
E teranlly
You and me
(Yeah)

(2x):
Through
The heartache
And pain
It's your love
That remains
If this road
Says one thing
It's your beautiful
You're beautiful
All the hell
You've been through
I don't know
How you do it
Wishing
I was more like you
Cause you're beautiful
You're beautiful

You've got everything
I need baby
I don't need
Nobody else baby
I'm so glad

That you are my lady
(Cause you're beautiful)
