Can I talk to you?
Pain, I know that I cause you some pain
And baby, I know it's a shame
The games, the strain

Love, girl, all you had for me was love
And I ran your love in a muck
No hugs and what, what, what
What was I thinking

It hit me like a flash a light
I realize, you are my life
And now, I really love you
Yes I do, yes I do

I've changed, like an 80's fade to the cornrows
To the White House, from Death Row
Projects to Hollywood
I've been to Atlantis, from bad to good

I've changed, like a poor excuse to a true friend
I'm a brand new start from a dead end
Like a guilty man turned innocent
Baby, I've changed

Life, I'm willing to lay down my life
Baby, won't you be my wife
Accept this ring tonight

Now, I was a blind man who spent his whole life in the
dark
No trees, no bees, no Central Park
And I realize, the love in my eyes
You're the perfect work of art, lady

It hit me like a flash of light
I realize, you are my life
And now, I really love you
Yes I do, yes I do, yes I do

I've changed, like an 80's fade to the cornrows
To the White House from Death Row

Projects to Hollywood
I've been to Atlantis, from bad to good

I've changed, like a poor excuse to a true friend
I'm a brand new start from a dead end
Like a guilty man turned innocent
Baby, I've changed

The risk of losing you has caused my transformation
My rehabilitation, dedication, inspiration
Girl, I'm brand new, listen clearly, babe
I'm willing to show you the little things I meant to do
Before I never took the time to do

I've changed, like an 80's fade to the cornrows
To the White House from Death Row
Projects to Hollywood
I've been to Atlantis, from bad to good

Like a poor excuse to a true friend
I'm a brand new start from a dead end
Like a guilty man turned innocent
Baby, I've changed

Like an 80's fade to the cornrows
To the White House from Death Row
Projects to Hollywood
I've been to Atlantis, from bad to good

Like a poor excuse to a true friend
I'm a brand new start from a dead end
Like a guilty man turned innocent
Baby, I've changed

Like an 80's fade to the cornrows
To the White House from Death Row
Projects to Hollywood
I've been to Atlantis, from bad to good

Like a poor excuse to a true friend
I'm a brand new start from a dead end
Like a guilty man turned innocent
Baby, I've changed

I'm a changed man
(I got a new walk)
I'm a changed man
(New talk)

I'm a changed man
(I got a new life)

I'm a changed man
I'm a changed man, I'm a changed man
Promise, I swear, I swear tonight, right now, baby
