Walking down 5th avenue, the lights so bright, faces
glowing.
Windows dressed up with toy trains, a colorful display.
Snowflakes falling, New York's calling.
Land, sea, or air, I just can't wait to be there for
Christmas in New York. New York.

Rockettes dance at Radio City, kicks so high, they're so
pretty.
Ice skating at Rockerfeller, drinking eggnog together.
Snowflakes falling, New York's calling.
Land, sea, or air. I just can't wait to be there for
Christmas in New York. New York.

Sleigh rides through Central Park, snowmen capturing
hearts.
Children gaze with fascination, they just can't wait til
it's dark.

Looking in through frosted windows, finally here all
together.
Singing songs of Christmas joy, we're frolicking in
wintery weather.
Snowflakes falling, New York's calling.
Land, sea, or air. I just can't wait to be there for
Christmas in New York. New York. New York.
New York.
