Don't wanna be a playa.
Don't wanna be a player.
Don't wanna be a playa.
Don't wanna be a player.
Don't wanna be, don't wanna be a playa no more.
I think I found someone I could live my life
For.
Don't wanna be a playa no more,
I think I found some one I can live my life
For, this girl.
I'm yours, your mine for sure.
I've had enough of running wild.
I'm switchin up my whole life style.
I don't wanna live the way I used to.
I'm givin up the booty calls,
spendin C's at the Tata files.
No leavin with two or three girls to get me
Off.
All I need is one who's really down.
Someone to turn this playa's life around.
Girl, I feel like you could be the one, to make a
differance in my life.
Cause I'm tiered of livin tryed.
I don't wanna be a playa no more.
I think I found someone I can live my life for.
Don't wanna be a playa no more.
I think I found someone I can live my life for.
I'm yours, your mine, for sure.
No rollin with a nuturash.
Caleb stylin like the movie stars.
Sippin dom with the ladies all around me.
Gettin girls off at the wee hours of the mornin,
Gettin deeps from a ladedade.
A true player never gets a chance to sleep, No.
All I need is one who's really down, someone
Who's really down.
Someone to turn this players life around.
Girl I feel like you could be the one, be the one
Baby,
To make a differance in my life.
Cause I'm tiered of livin tryed.
Player!

Don't wanna be a playa no more.No more! No more!
I think I found someone I can live my life for.
Don't wanna be!
I don't wanna be a player no more.
I think I found someone I can live my life for.
I'm yours, your mine for sure.
Baby girl, I'm buggin over you.Buggin girl!
Buggin girl!
You got me givin up the things I used to do.
You've got so much in life to gain, gain girl.
And to prove to you I'm given up the game,
No more playa style!
Don't wanna be a playa no more,don't wanna be a
Player.
I think I found someone I can live my life for,I
Think I found someone.
Don't wanna be a player no more, I'm tiered of
Runnin round.
I think I found someone I can live my life for.
I'm yours, your mine for sure.
I don't wanna do the things I used to.
I've givin up the Tata files.
No more messin round!
I'm tiered of hangin with the fellas.
On the late night creep, creepin, creepin!
Would you be my lady, lady, lady!
Don't wanna be a playa no more, I don't wanna be!
I think I found someone I can live my life for, I
Think I found someone!
I'm yours, your mine for sure!
Don't wanna be a playa.
Don't wanna be a player.
Don't wanna be a playa.
Don't wanna be a playa.
