## Joe "Endless Possibilities"

Visit "Endless Possibilities" on MotoLyrics.com

so this is my escape im running through this world and im not looking back cause i know i can go where no ones ever gone and im not looking back but how will i know when i get there and how will i know when to leave its all got start from somewhere and its not there for me the possibilities are never ending i see it i see it and now its all within my reach endless possibilities i see it i see it and now its all within my reach endless possibilities endless possibilities drop that sigh cause where in it again and this is where my journey begins youll lose youre speed your losing your flow let inside theres a power youll never know let it out it seams like u better all stand back cause im coming through(guitar solo) i see it i se it and now its all within my reach endless possibilities endless possibilities endless possibilities
