Uh, uh, huh, uh, uh, huh, yeah

Girl, you know I meant to call you that night
Don't talk about that, I'm calling you now
I'm feeling horny and I want you so bad
I'm picturing that I'm seeing your mouth

I remember what you said you do with your lips
Said you know all types of tricks
Are you ready for a taste of this? Yeah
I hope so I'm ready to be exposed
To every little single detail that you told me

Yeah, I know that you talk a good game
But tonight you'll say my name
I wanna kiss you on your private spot
And I hope you do the same

And when I'm done don't be telling your friends
Our relationship will end
So keep it on the low
I wanna do you slow, for sure
You're not my girl so just keep your mouth closed

I've been hearing that you're freaky
And you've been trying to get at me
Come over have a drink
'Cause I wanna get crunk tonight

Leave all your worries at the front door
Don't be scared, get what you came for
I ain't trying to play around
I just wanna get crunk tonight

How long it's gonna take for you to get here?
It shouldn't be long, you said you live near
I'm looking forward to this late evening
Massaging your skin and breaking you in

I remember what you said about the tub
So I went and filled it up
I wanna cut it up the suds, yeah

Let's get to it, stop frontin' girl let's do it
I'm tired of all your talkin', girl, it's time to prove it

Yeah, I know that you talk a good game
But tonight you'll say my name
I wanna kiss you on your private spot
And I hope you do the same

When I'm done don't be telling your friends
Our relationship will end, so keep it on the low
I wanna do you slow, for sure
You're not my girl so just keep your mouth closed

I've been hearing that you're freaky
And you've been trying to get at me
Come over have a drink
'Cause I wanna get crunk tonight

Leave all your worries at the front door
Don't be scared, get what you came for
I ain't trying to play around
I just wanna get crunk tonight

I've been hearing that you're freaky
And you've been trying to get at me
Come over have a drink
'Cause I wanna get crunk tonight

Leave all your worries at the front door
Don't be scared, get what you came for
I ain't trying to play around
I just wanna get crunk tonight

Let me see you, nod, nod, nod your head
When you get in my bed, bed, bed, bed, bed
Just go below the sheets and satisfy me
And I'm gonna moan for you in harmony

Then I'm gonna kiss, kiss, kiss your lips
The ones below your hips, hips, hips, hips, hips
I'll go below the sheets to satisfy you
And you're gonna moan for me in ecstasy

Let me see you, nod, nod, nod your head
When you get in my bed, bed, bed, bed, bed
Just go below the sheets and satisfy me
And I'm gonna moan for you in harmony

Then I'm gonna kiss, kiss, kiss your lips
The ones below your hips, hips, hips, hips, hips
I'll go below the sheets to satisfy you

And you're gonna moan for me in ecstasy

I've been hearing that you're freaky
And you've been trying to get at me
Come over have a drink
'Cause I wanna get crunk tonight

Leave all your worries at the front door
Don't be scared, get what you came for
I ain't trying to play around
I just wanna get crunk tonight

Uh, freaky, freaky
Oh, yeah, oh, yeah
I wanna get crunk with you, baby
