Have yourself a merry little Christmas, let your heart be
light
From now on our troubles will be out of sight
Have yourself a merry little Christmas, make the
Yuletide gay
From now on our troubles will be miles away

Here we are as in olden days, happy golden days of
yore
Faithful friends who are dear to us, gather near to us
once more
Through the years we all will be together if the fates
allow
Hang a shining star above the highest bough
And have yourself a merry little Christmas now

Here we are as in olden days, happy golden days of
yore
Faithful friends who are dear to us, gather near to us
once more
Through the years we all will be together if the fates
allow
Hang a shining star above the highest bough
And have yourself a merry little Christmas now
