ooh, take a walk in the park under the stars
baby take my hand the night is ours
i never knew what loving u could do
om feelin like i wanna follow through

u look into my eyes and u make my temperature
riseand u keep me
fantasising,baby

u can take me home tonight
im not makin promises
dont meke it more than what it is
u can take me home tonight
take it slow boy we can chill and if im feeling u i will

maybe, would u let a thug give u a hug
maybe, maybe stroke your back til u fall in luv
maybe, if its cool can i kiss u please
maybe, love u down til we fall asleep

ooh, now u got we were u want me 2 b
but i wont give in 2 easily
i look at u and i cant help myself
my mind says wait but my bodys saying yes

u look into my eyes and u make my temperature
riseand u keep me
fantasising,baby

u can take me home tonight
im not makin promises
dont meke it more than what it is
u can take me home tonight
take it slow boy we can chill and if im feeling u i will

maybe, would u let a thug give u a hug
maybe, maybe stroke your back til u fall in luv
maybe, if its cool can i kiss u please
maybe, love u down til we fall asleep

my hearts racing, my body's aching
from dreams of making luv all night

it wont take much
im weak one touch
just might do this
if it's wrong or its right

u can take me home tonight
im not makin promises
dont meke it more than what it is
u can take me home tonight
take it slow boy we can chill and if im feeling u i will

maybe, would u let a thug give u a hug
maybe, maybe stroke your back til u fall in luv
maybe, if its cool can i kiss u please
maybe, love u down til we fall asleep

(repeat to fade)
