Wait a minute, baby, you packin' your bags  
How soon?  
Now, don't do that, wait a minute  
Why don't you stay a while?  
How soon?  
We can work this out, sit down  
Let's talk about it

I miss your smiling face  
The smell of your perfume  
Girl, this damn bed is cold  
Nothing to hold on to

Oh yeah, the phone is cool  
But girl I need you here  
Be it plane, train or automobile  
How soon can you get here?

I'm gonna miss you  
More than you know  
Every time you leave  
I wanna beg you not to go

We have so much fun, girl  
Don't we though  
When you pack your bags to leave  
I try not to let my feelings show

It's so hard for me  
Especially when you been around  
Distant lovers is what we are  
And girl it's breakin' me down

I miss your smiling face  
The smell of your perfume  
Girl, this damn bed is cold  
Nothing to hold on to

Oh yeah, the phone is cool  
But girl, I need you here  
Be it plane, train or automobile  
How soon can you get here?

And when will I see you?  
It's never too soon  
Can you come in the morning  
And leave later on that afternoon?

See, I'm just as scared  
Whenever you're away  
Girl, I'd give anything  
Just to see you everyday

It's so hard for me  
Especially after you've been around  
Distant lovers are what we are  
And girl it's breakin' me down

You're a career girl  
You gotta do, what you gotta do  
As much as I want you here with me  
Girl, I'm so damn proud of you

I miss your smiling face  
The smell of your perfume  
Girl, this damn bed is cold  
Nothing to hold on to

Oh yeah, the phone is cool  
But girl, I need you here  
Be it plane, train or automobile  
How soon can you get here?

I miss your smiling face  
The smell of your perfume  
Girl, this damn bed is cold  
Nothing to hold on to

Oh yeah, the phone is cool  
But girl, I need you here  
Be it plane, train or automobile  
How soon can you get here?

Get here, get here  
Yeah, yeah, yeah, yeah, yeah  
How soon, ooh, baby?  
Girl, I hate to see you leave  
Can't you see it's killing me?  
Be it plane, train or automobile, get here

I miss your smiling face  
The smell of your perfume  
Girl, this damn bed is cold

Nothing to hold on to

Oh yeah, the phone is cool  
But girl, I need you here  
Be it plane, train or automobile  
How soon can you get here?

I miss your smiling face  
The smell of your perfume  
Girl, this damn bed is cold  
Nothing to hold on to

Oh yeah, the phone is cool  
But girl, I need you here  
Be it plane, train or automobile  
How soon can you get here?
