Last chance, I'm bout to change plans, and they won't involve you.

'Cause I can't stand, every bad circumstance, you always quick to blame me, but It's you.

I get mad at you, but the blame is someone else, I can only blame myself. (for being so, In love)

I keep leaving you, but I can't be by myself, and you can't be with no one else. So we ain't foolin' nobody.

(Chorus)

Some things never change, girl I can't believe you wont apologize, so I Will, one last time again.

It ain't worth it, your new funky attitude is about to mess this up, so I Will, Imma just face it and apologize again.

Baby I will, one last time again,(again) Baby I will, again.

How can I be mad at you,????, I give in, everytime you call me name boo. That's how I lose to you, and you keep me running after you, so act a fool, and I end up saying Im sorry to you.

I get mad at you, but the blame is someone else, I can only blame myself. (for being so, In love)

I keep leaving you, but I can't be by myself, and you can't be with no one else. So we ain't foolin' nobody.

(Chorus)

Some things never change, girl I can't believe you wont apologize, so I Will, one last time again.

It ain't worth it, your new funky attitude is about to mess this up, so I Will, Imma just face it and apologize again.

Baby I will, one last time again,(again) Baby I will, again.

Believe me, I know, we got a better chance of making up, if I say sorry. And baby, that's what hurt me more, if

the love you give will leave, because I kept I'm sorry.

(Chorus)
