Everybody say ah, ah
Yeah, it's 50 cent
Yeah, and Lloyd banks
Yeah, and Young buck
Yeah, and Joe, G-Unit

Baby I wanna rock 'n' roll wit ya to the cover
We'll still hit the blocks and I'm sold with you
Can you picture me and you not even friends no crew?
We ain't do whatever you wanna do

I'll take your mind off whatever you going through
Just sit back and relax to the sound of the sax, I'm hood
But that don't mean I ride around with the rats
I work and make music lose a couple pounds in the
sack

Look at what we got right here such a work of art
Someone I'll give my heart do anything that's what I do
Just so that she would be mine I'll give her all my time
Every part of me my mind soul and my body were
inseparable

I wanna ride wit U, lie with you
I wanna move with you, move with you, move with you
I wanna fly with you, ride wit U, lie with you
I wanna move with you, move with you, move with you
I wanna ride

Your the type that just don't care
If it's you I want then I'm gonna come and get you
And see what's really good with you
Please believe I'll take you there
But first let's see if you're intellectual
Matches up with your physical baby

I wanna ride wit U, lie with you
I wanna move with you, move with you, move with you
I wanna fly with you, ride wit U, lie with you
I wanna move with you, move with you, move with you
I wanna ride

Come on and ride with a thug we can do what you like
A baller baby you see the blue in my ice
Drop the top and let your head blow back
Them J. Lo jeans girl that ass so fat

Puff know just what to do with all that
Chest to chest so I'll hit it from the back
I do it like a pro won't nobody know
Lets pop some more ride and listen to Joe

I just want to let you know that
That ooo you're so beautiful
And nothing is impossible
The place's there, we can go

I just want to let you know that
That you're so beautiful
And nothing's impossible
The place's there, we can go

Ride wit U, lie with you
I wanna move with you, move with you, move with you
I wanna fly with you, ride wit U, lie with you
I wanna move with you, move with you, move with you
I wanna ride

Ride wit U, lie with you
I wanna move with you, move with you, move with you
I wanna fly with you, ride wit U, lie with you
I wanna move with you, move with you, move with you
I wanna ride

I just want to let you know that
That you're so beautiful
And nothing is impossible
The place's there, we can go

I just want to let you know that
That you're so beautiful
And nothing's impossible
The place's there, we can go

Ride wit U, lie with you
I wanna move with you, move with you, move with you
I wanna fly with you, ride wit U, lie with you
I wanna move with you, move with you, move with you
I wanna ride

Ride wit U, lie with you
I wanna move with you, move with you, move with you
I wanna fly with you, ride wit U, lie with you

I wanna move with you, move with you, move with you
I wanna ride
