Everybody say
Yeah, it's 50 Cent an' Lloyd Banks
An' Young Buck an' Joe, G Unit

Baby, I wanna rock 'n' roll, wit Joe to the come up
An' still hit them blocks an' I'm sold
Wit you, can you picture, me and you none of your
friends
No crew? We gonna do whatever you wanna do

I'll take ya mind off whatever you goin' through
Just sit back an' relax to the sound of the sax
I'm hood but that don't mean I ride around wit the rats
I work an' make ya lose a couple pounds in the sack

Look at what we got right here, such a work of art
Someone I'll give my heart, do anything, it's what I'll do
Just so that she would be mine, I give her all my time
Every part of me my mind, soul an' my body, what's
up?

I wanna ride wit u, life wit u
I wanna move wit u, move wit u
Move wit u, I wanna fly wit u
Ride wit u, life wit u
I wanna move wit u, move wit u
Move wit u, I wanna ride

I'm the type that just don't care, if it's you I want
Then I'm gon' come an' get you an' see
What's really good wit you
Please believe I'll take you there
But first let's see if your intellectual matches up
Wit your physical, baby

I wanna ride wit u, life wit u
I wanna move wit u, move wit u
Move wit u, I wanna fly wit u
Ride wit u, life wit u
I wanna move wit u, move wit u
Move wit u, I wanna ride

Come on an' ride wit a thug, we can do what you like
A baller, baby, you see the blue in my eyes
Drop the top an' let your hair blow back
Them J Lo jeans, girl, that ass so fat

Buck know just what to do wit all that
Chest to chest, so I'll hit it from the back
I do it like a pro, won't nobody know
Let's pop some Mo' ride an' listen to Joe

I just wanna let you know
That ooh, you're so beautiful
An' that nothin's impossible
The places that we can go

I just wanna let you know
That ooh, you're so beautiful
An' that nothin's impossible
The places that we can go

I wanna ride wit u, life wit u
I wanna move wit u, move wit u
Move wit u, I wanna fly wit u
Ride wit u, life wit u
I wanna move wit u, move wit u
Move wit u, I wanna ride

I wanna ride wit u, life wit u
I wanna move wit u, move wit u
Move wit u, I wanna fly wit u
Ride wit u, life wit u
I wanna move wit u, move wit u
Move wit u, I wanna ride

I just wanna let you know
That ooh, you're so beautiful
An' that nothin's impossible
The places that we can go

I just wanna let you know
That ooh, you're so beautiful
An' that nothin's impossible
The places that we can go

I wanna ride wit u, life wit u
I wanna move wit u, move wit u
Move wit u, I wanna fly wit u
Ride wit u, life wit u
I wanna move wit u, move wit u
Move wit u, I wanna ride

I wanna ride wit u, life wit u
I wanna move wit u, move wit u
Move wit u, I wanna fly wit u
Ride wit u, life wit u
I wanna move wit u, move wit u
Move wit u, I wanna ride
