:VERSE 1:

No need for candles girl cuz that's gon' make a mess  
Tryin' to serve you up to Clinton, that's my President  
And if you ride for me and don't be acting hesitant  
I'll make you say whoa, whoa, whoa, oh whoa

I'm a grown man so don't you start playing with me  
I want you like you was some honey and I was a bee  
Girl I'm a winner (winner)  
Not no beginner (ginner)  
When I'm up in her (in her)

:HOOK:

I know...  
We fell off, but I'm on it again  
I'm coming through with a strong 2nd wind  
Make you remember when I was your man  
(How we used to) Run it back, run it back, whoa

:CHORUS: x2

Ooh, ooh  
I been training for months for what I'm gon' do  
Ooh, ooh  
It's just so good you gon' want me to spend the night  
and  
Ooh, ooh  
Girl I promise you that when I'm through  
I'm good, you gon' be like, run it back, run it back,  
whoa

:VERSE 2:

I wanna see how long it'll take to make your legs shake  
Girl just follow me while I give you this back breaker  
See I'm a gentleman in every way but I won't stop 'til  
you can take  
No, no, more

I'mma treat the situation like its brand new  
Work your body like I got something to damn prove  
Girl I'mma try to make you understand  
With your body under my hand  
And your legs waving in the air, whoa

:HOOK:

:CHORUS:

Oh baby, please believe  
This is a guarantee  
When your making love to me  
I'mma make you wanna do it over, (and) over, (and)  
over

(Aw shit look at the time, baby I gotta go)  
[Nah baby, you ain't gotta go nowhere]  
(Nah I'm sayin' ma we hittin' it all day)  
[What you tired or somethin?]  
(Hell naw, how you wanna do this?)  
[Just like that!]  
(Just like that?)  
[Just like that!]

:CHORUS: til end
