When the world outside  
has got me kinda stressen  
I only live to be next to  
Through the madness  
You remain my greatest pleasure  
No one but God  
Deserves such love  
And If I had  
one night on this earth to spend  
I'll spend it loving you  
and out of all I've experienced  
nothing comes close to this  
you're all I need

Sensitive lover  
how beautiful you are  
you satisfy my every need  
Sensitive lover  
you went and raised the bar  
from your head to your feet  
girl you so complete  
so complete  
All the good times  
and the bad times  
you remained the same  
that's why  
I'm gonna keep on loving you  
through the joy and pain  
I've had 9's and 10's  
but I couldn't find  
all the beauty that's in you

Sensitive lover  
how beautiful you are  
you satisfy my every need  
Sensitive lover  
you went and raised the bar  
from your head to your feet  
girl you so complete  
so complete
