I remember when we were so inseparable
Our love was so unusual
So young and innocent, I don't know where it went
But it's gone, gone, gone, long gone

I believe
There's another man in your life
It's killing me
'Cause I thought I finally found my Mrs. Right

Perfect yesterday, slowly fade away
Disappear without a trace and I don't know where she's
gone
She used to call me only, now, she won't
She used 2 luv me only, now, she don't anymore

Where did I go wrong?
Would have seen the sign if I wasn't filled with self-
illusion
I know I should walk away
But my heart just won't obey and it's so, so, so, so
strong

'Cause I believe
There's another man in your life
It's killing me
'Cause I thought I finally found my Mrs. Right

Perfect yesterday, slowly fade away
Disappear without a trace and I don't know where she's
gone
She used to call me only, now, she won't
She used 2 luv me only, now, she don't anymore

Oh my, oh my, oh my, oh my, why should it be a love
casualty?
Oh my, oh my, oh my, oh my, somebody better, come,
pray for me
Oh my, oh my, oh my, oh my, why should it be a love
casualty?
Oh my, oh my, oh my, oh my, somebody better, come,
pray for me

And ooh, I still love her

Ooh, I still love her

Ooh, I still love her

Ooh, I still love her
