Hello, welcome to the show
Somebody's gotta be on top
And that's the way it goes
Oh yeah,

Lights off,
time to set this party off
Baby pull down the shades
they're gonna be like down for days
Clothes off,
for a private dance tonight
I wanna take you down NAUGHTY street tonight

Baby let's keep it private cause
Were getting ready to ride it
ECSTACYon the balcony
going down for more on the kitchen floor
Slipping and sliding I want you to ride it
On my knees I'll have you screaming
WAIT, WAIT, WAIT, don't let it go

Don't you wanna come along for the ride of your life
(somebody)
Somebody's gotta be on top
Coco butter skin I can't wait till I get in your body
Somebody's gotta be on top

Right now I think I I'm gonna shut this party down
There's a sequel to the show
Come on i gotta let you know
admission can't be paid at the door
Stroke, stroke, NOjoke
gonna blow it out sugar aint no doubt
I'll be stroking that's what I'd be DOING

Baby let's keep it private cause
Were getting ready to ride it
ECSTACYon the balcony
going down for more on the kitchen floor
Slipping and sliding I want you to ride it
On my knees I'll have you screaming

quick, quick, quick, don't let it go

Don't you wanna come along for the ride of your life
(somebody)

Somebody's gotta be on top
Coco butter skin I can't wait till I get in your body
Somebody's gotta be on top

[Bridge]

Looking for the softest place on YOU
Someone to break me off
Lets DO IT IN the bed get it nice and wet
never do it from the side just chest to chest

Looking for the softest place on earth
Someone to break me off
I'll kiss you on your neck than down your back
doing it all night long like INSOMNIACS

Lookin for the softest place on earth
Someone to break me off
Take the pillows off the couch put them on the floor
give it to you nice and strong
make you scream for more

Lookin for the softest place on earth
Someone to break me off
If your feeling me like I'm feeling you get on top of
me...
AND LET YOUR BODY MOVE

Don't you wanna come along for the ride of your life
(somebody)

Somebody's gotta be on top
Coco butter skin I can't wait till I get in your body
Somebody's gotta be on top
