Joe
"Sorry"

I messed up
I'm sorry, baby
Just one minute

Yeah, in the middle of the night girl I hear you cryin'
And it's all my fault, ain't no denyin'
Said I cut you so deep with my words
And it pains me to see when you're hurt

Let me run my fingers through your hair, baby
Hold you close to my body, whisper sorry softly
Girl, it ain't important anymore
Whatever point I was tryin' to prove is out the door

'Cause you, yeah, you are the only thing I can't afford
to lose
You're so valuable, said your feelings are like gold to
me
Oh baby you, you are the woman that makes my
dreams come true
My life for, for all that it's worth, I just wanna tell you I'm
sorry

Most of these niggas don't really understand
To truly love a woman it takes a real man
You gotta hold her, you gotta show her
That you're her best friend, not just her lover

No time to waste playing with my pride
Just cut through the chase and apologize
'Cause baby, you're like an extension of me
And when you're hurt it makes it hard to breathe

Oh baby, you, you are the only thing I can't afford to
lose
You're so valuable, said your feelings are like gold to
me
Oh baby you, you are the woman that makes my
dreams come true
My life for, for all that it's worth, I just wanna tell you I'm
sorry

Baby, I know that you're mad at me and I can't say I
blame you
I was trippin' and I lost control
Try to prove something, actin' like a damn fool
I see the pain in your eyes and I know I let you down
Ooh, and I wanna make it up to you some how

Baby you, you are the only thing I can't afford to lose
You're so valuable, said your feelings are like gold to
me
Oh baby you, you are the woman that makes my
dreams come true
You're my life for, for all that it's worth I just wanna tell
you I'm sorry
So sorry, oh baby, I'm sorry, baby, oh
