(verse 1)

Somehow my life turned out to be more than I thought I  
deserved (oh whoa) living a life of luxury ooh there's  
a few bridges I've had to burn

(bridge)

so those words that my father told me he said u got to  
believe keep blood first and you'll go far don't forget  
where you came from and let the whole world know  
your name son you can have anything chase your  
dreams and don't forget that

(chorus)

were family (whoa oo whoa) my brother my sister my  
father my mother were family (were all in here) my  
uncle my auntie and all my cuz

(verse 2)

now its hard enough trying to survive on these streets  
and u cant tell who to trust from the friends you meet  
but you living your dream and you did it your way  
nobody can take that away

(bridge)

now those words that my father told me he said you  
got believe keep blood first and you'll go far I aint  
forgot where I came from and now the whole world  
knows my name you can have anything chase your  
dreams and don't forget that

(chorus)

were family (were all in here everyone of us) my  
brother my sister my father my mother were family my  
uncle my auntie and all my cuz (yeah yeah)x2

(verse 3/breakdown)

got a few folks I haven't seen in a while I'm gonna do  
something this year bring the family together cuz  
through it all

(chorus)

were family(ohohoowoah hey) my brother my sister my  
father my mother were family (hey hey0my uncle my  
auntie and all my cuz x4 yeah yeah yeah yeah
