Sure baby we could be friends.  
(Slow dance, romance, back rubs,  
Hiked up, slowly,  
That's us rolling in the meadow  
When we do it all)  
(Slow dance, romance, back rubs,  
Hiked up, slowly,  
That's us rolling in the meadow  
When we do it all)  
(Quite possibly we could be one,  
Just you and me  
So why just be friends)

And all you gotta do is take it off  
(Take off your coat)  
And all you gotta do it take it off  
(That's what I wanna do)  
And all you gotta do is take it off  
(Baby kick off your shoes)  
And all you gotta do is take it off  
(Lets be more then just friends)

Girl just relax,  
I know we just started talking.  
Girl I can't help but to think  
Of how we'd be.  
We could sail the seven seas  
Like it was a dream.  
We could climb  
The highest mountain  
If you know what I mean.  
Or just chill  
And watch a movie or the TV.  
Baby you just got to trust,  
I promise you'll see.

Stop, drop your fears.  
Baby come get with me.  
Give me your tears,  
I got the remedy.  
Take down your shield,  
I'm not the enemy.

Girl

I just wanna be the only one  
Who can make you happy.  
Baby come close,  
I want to feel your body.  
Take it slow,  
Ain't gotta follow nobody.  
We can't go wrong,  
Baby just think about it.

Sure baby we could be friends.  
(Slow dance, romance, back rubs,  
Hiked up, slowly,

When we do it all)

I don't want  
To move you fast  
But girl I'm ready.  
No pressure girl,  
Just sit back  
And let it in.  
If I'm rushing,  
Baby girl just let me know.  
It ain't no thing for me  
To take it slow.  
I ain't trying  
To make you feel  
Uncomfortable.  
But I can't help feeling  
Like you're the one  
I'm looking for.

Stop, drop your fears.  
Baby come get with me.

Give me your tears,  
I got the remedy.  
Take down your shield,  
I'm not the enemy.

Now I know that love has failed  
You many times before.  
But I'm trying to make you see t  
Hat the only one is me.  
So forget the other guys  
You dated long ago.  
And just let your mind be free,  
Lets be more then just friends.
