im gonna give u some free game, listen...

All she wanted was a little time, u said never (never)
begged that u would stay home, u said never (never)
maybe we can wine and dine before we bump and
grind, u said never

Can we go to the park and swing, u said never (never)
how about to the bar for a drink, u said never (never)

but she said u said never (never)

U dropped ur dime

taking trips to Miami, it's on me
I say whatever, ask her i say whatever (ever)

Can we play in sand while holding hands, whatever
