Everybody's got truth behind the lies Everybody's got questions but no answers why Everybody's got somethin' but nothin' is for sure Nobody's got reason's anymore

Don't look back Your mind is spinnin'

MotoLyrics

Don't deny me a safe place to hide

Every man is an orphan Every women's child Every man is an ocean Buried in the tide Nobody's got reason's anymore

Don't look back Your mind is spinnin'

Don't deny me a safe place to hide

I know you want You know I need I know you need to be wanted You wonder why Never to be I always need to hide

Don't deny me a safe place to hide
