I remember can that dream
Life is not what it seems
Always easier to quit
Never feeling like you're it

Make up your Mind
Make up your Mind
Leave it behind
Leave it behind

It's easy feeling down
She never wanted you around
Falling into one more ditch
I'm always needing one stitch

Make up your Mind
Make up your Mind
Leave it behind
Leave it behind
Make up your Mind
It's time

You can leave it behind
But it's all that you have
Feeling lost and sad
All you is tomorrow
But you're lost in yesterday

Alwasly two steps behind
Lose what you never find
Lies say you never had
Walk away when you're feeling scared

Make up your Mind
Make up your Mind
Leave it behind
Leave it behind
Make up your Mind
It's Time

You can leave it behind
