What would you do  
if I sang outta tune  
would you stand up  
and walk out on me

lend me your ears  
and I'll sing you a song  
and I'll try not to sing  
outta key

oh I get by with a little help from my friends

gets high with a little help  
from his friends

oh I'm gonna try with a little help from my friends

what do I do when my love is away  
does it worry you to be alone

how do I feel by the end of the day  
are you sad because your  
on your own

I get by with a little help  
from my friends

yeah, I get high with a little help from my friends

oh, I'm gonna try with a little help from my friends

do you need anybody  
I need somebody to love  
could it be anybody  
I want somebody to love  
would you believe in a  
love at first sight

yeah I'm certain that it happens  
all the time

what do you see when you turn

out the light, I can't tell ya  
but I know it's mine

oh, I get by with a little help  
from my friends

mm, I get high with a little help from my friends

oh, I'm gonna try with a little help from my friends

do you need anybody  
I need someone to love  
could it be anybody

ohhhh~

have a little help from my friends  
have a little help from my friends  
try a little help from my friends  
have a little help from my friends

I get by with a little help from my friends, with a little  
help  
from my friends
