As the crow flies baby  
And i ain't so far from you  
As the crow flies baby  
And i ain't so far from you

Well i don't have wings  
And i can't get home like i want to

In a dream last night  
Well i heard you call my name  
In a dream last night  
Well i heard you call my name

Well i took it as an omen  
And i jumped on that next train  
Oh whoa

Well you don't know baby  
How i miss your sweet caress  
Well you don't know baby  
How i miss your sweet caress

When i'm in your lovin' arms  
And i swear i'm at my very best

As the crow flies baby
