Hey everybody talk about it, burning hell burning hell  
Ain't no hell but a burning hell

When I die, Where I go  
Ain't nobody know  
Burning hell burning hell  
Burning hell burning hell

I went down to see Deacon Jones  
Who was down at the church house  
I got down on my bended knee  
And I prayed and I prayed  
Deacon Jones pray for me

Went down to the church house  
Got down at my bended knee  
And I begged Deacon Jones  
Would you pray for me  
He said sir take my hand  
Said sir take my hand  
Ain't no hell but a burning hell  
No hell but a burning hell  
No hell but a burning hell

Burning hell

Ain't no hell but a burning hell  
Ain't no hell but a burning hell  
When I die where I go  
Ain't nobody knows  
Ain't no hell but a burning hell  
No hell but a burning hell  
No hell but a burning hell  
Burning hell

Hey everybody talks about it, burning hell burning hell  
Ain't no hell but a burning hell  
When I die where I go  
Ain't nobody knows  
Burning hell burning hell  
Burning hell burning hell  
Burning hell burning hell

Burning hell

Don't know where I'm going

Yeah

Nobody knows

Whoah
