I don't care what nobody say
I'm a man of a many words
I spit things so loud and clear
You've got to believe every word you heard

I rap strong and you know right along
Come here girl let me turn you on
Now come on now, yeah, now

I was hauled off to jail late last night
With no one to go my bail
I rapped strong to the judge early this morning
Guess what judge put the cops in jail

I rap strong and you know right along
Come on, girl let me turn you on
Now come on, yeah
Come on, baby

When I grab my game and call your name
You would never be the same
In the midnight hour when you dream my love
And I swear you'll be calling my name

I rap strong and you know it right along
Come here girl let me turn you on
Now come on, yeah
Come here, baby
