It's the darkest hour of the darkest night
It's a million miles from the morning light
Can't get no sleep, don't know what to do
I've got those midnight blues
When the shadows fall, I feel the night closing in
There must be some reason for this mood I'm getting
in
Can't get no sleep, don't know what to do
I've got those midnight blues
Every evening after sundown
As the light begins to fade
I feel so low, but I just don't know
Why these blues won't go away
Every evening after sundown
As the light begins to fade
I feel so low, but I just don't know
Why these blues won't go away
It's the darkest hour of the darkest night
It's a million miles to the morning light
Can't get no sleep, don't know what to do
I've got those midnight blues
I've got those midnight blues
I've got those midnight blues
I've got those midnight blues
