My head is spinnin' around  
And I'm thinkin' my thoughts of you  
Whoa baby, I'm thinkin' about you

Well I get so mixed up now baby  
And I don't know what to do  
Oh baby, I don't know what to do

I'm gonna pack it up  
I'm gonna give it up  
I'm gonna put you right out of my mind  
I'm gonna pack it up, yeahhhh

Hey I tried my best to understand  
You keep sayin' it'll work out fine  
But baby, it'll work out fine

Every time I try to talk to you baby  
You tell me you ain't got time  
But baby, yeah you don't have time

I'm gonna pack it up  
I'm gonna give it up  
I'm gonna put you right out of my mind  
I'm gonna pack it up, yeahhhh

After all we been through together  
Why did it end this way  
But baby, it did

I put all my trust in you baby  
Believe every word I say  
Oh baby, every word I say

I'm gonna pack it up  
I'm gonna give it up  
I'm gonna put you right out of my mind  
I'm gonna pack it up, yeahhhh  
I'm gonna put you right out of my mind  
I'm gonna pack it up  
yeah I'm gonna pack it up ohohohoh
