Devil had a daughter
took me to the water
tried to kill me with a kiss
She said hey now honey, what about the money
I said ain't got time for this

She said baby won't you come inside
I said sorry I got to ride
sorry but I got to ride

If you don't move you'll end up dead
sleeping in the devil's bed
sleeping in the devil's bed

Take me, take me somewhere trouble don't go
Take me, take me somewhere trouble don't know

Devil had a daughter
took me to the water
tried to kill me with a kiss
She said hey now honey, what about the money
I said ain't got time for this
no I got no time yeah

Baby wants to drive my car
but she wants to go too far
but she wants to go too far

First comes love and then it's so fine
but then comes heartache right behind
heartache comes right behind

Take me, take me somewhere trouble don't go
Take me, take me somewhere trouble don't know

Devil had a daughter
took me to the water
tried to kill me with a kiss
hey now honey, what about the money
I said ain't got time for this
no I got no time yeah
Not for you anymore

Take me, take me somewhere trouble don't go
Take me, take me somewhere trouble don't know
Take me, take me somewhere trouble don't go
Take me, take me somewhere trouble don't know

Devil had a daughter
took me to the water
tried to kill me with a kiss
Take me back home
hey now honey, what about the money
I said ain't got time for this
no I got no time yeah

Devil had a daughter
took me to the water
tried to kill me with a kiss
Take me home
hey now honey, what about the money
I said ain't got time for this
