You walked in my life
Whith a angels smile
How could I have known
Hunger locked in time
We can start a fire,
But we can't control the flame
And I just can't wait to feel the heat again
In the middle of the night

She cry too much ain't enough love to satisfy me, yeah
I said too much ain't enough love to satisfy me

Well it just seems like yesterday
I was running alone
I turn my back home love
But baby I wasn't wrong
Do I miss your touch
Or tell myself a lie
Then I can't get enough
When I'm lying by your side
In the middle of the night

She cry too much ain't enough love to satisfy me, yeah
Too much ain't enough love to satisfy me
I gotta burning heart baby

Do I miss your touch
Or tell myself a lie
And I can't get enough
When I'm lying by your side
In the middle of the night

She cry too much ain't enough love to satisfy me, yeah
I said too much ain't enough love to satisfy me
I gotta burn it hard baby

Too much ain't enough love to satisfy me
But I smoke as fire baby
Too much ain't enough love to satisfy me hey...

I said too too much ain't enough love
yeah ... to satisfy me, Oh

I said too much, hey ...
I said too much
Too too much
I said too much

Whith Angels smile baby
You walked in my life
Whith a Angels smile

I said too much ain't enough
Too much ain't enough love to satisfy me
