One more cross to bear
One more mind over matter
One more road I ride

One more day alone
One more night in the city
No more living lies

I won't wait
I won't be torn down
Wait
Won't be turned around
Wait
I won't be torn down

I won't be torn down
Won't be torn down
I won't be torn down
Won't be torn down
I won't be torn down
Won't be torn down, yea

Got my eyes on you
Bringin' sight to a blind man
One more precious time

Feel the sun risin'
One more day with the rhythm
Just what I have to play

I won't wait
I won't be torn down
Wait
Won't be turned around
Wait
I won't be torn down

I won't be torn down
Won't be torn down
I won't be torn down
Won't be torn down

I won't be torn down
Won't be torn down, yea
