I liked her, so did I  
Why does every princess get the bird? It's just absurd  
I've never heard a test so difficult to pass  
Alas, a lass is what I lack, I lack a lass, alas alack

Through out the land, no one may wed  
Till Dauntless shares his marriage bed  
The lonely spinster's life  
Go and get the prince a royal wife

We have an opening for a princess  
For a genuine certified princess  
Tell us when you intend to end this dilemma we're in  
None of the ladies give a fig for living in sin

We have an opening for a princess  
For a beautiful, bonafide princess  
Where's the dutiful knight  
Who'll right all the wrongs we've been done?

None of the ladies are having any fun  
What to do? What to do?  
What to do? What to do?  
Pity the ladies in waiting

Pity the gentlemen too, four, six, eight  
Ten, eleven, twelve, contenders in a row  
They came, they were tested  
Then swiftly requested to go

For a princess  
For a genuine certified princess  
Tell us when you intend to send us a girl who can pass  
And get the price a royal wife

None of the ladies are having any  
No one is having any  
No one is getting any younger  
And it's been God-knows-how-long since

We have an opening for a princess  
Who's good enough, nice enough

Sweet enough, smart enough  
Rich enough for our poor prince
