If only I could change but it doesn't come around
this jealousy it taints everything that I'm about
If Only I could be like you, but it doesn't come around

La da da da da da die, oh why, oh why
Just say good bye step off your throne
Oh no, and it's all because, it's all because of you

I'm free because you showed me how to love
Who you truly are, not who you want to be
So do you think like me, do you ever fall apart,
would your eyes turn green, if they told me I'd go far

If only I could be like you cos I'm falling apart
I can't stand to see your face
cos you remind me who we are
if only I could be like you cos I'm falling apart
I can't stand to see your face
cos you remind me who we are

La da da da da da die, oh why,
just say goodbye step off your throne
Let it be, let it be, let it be, let it be, let it be,
let it be, let it be, oh c'est la vie

Let it be, let it be, let it be, let it be, let it be,
let it be, let it be, oh c'est la vie
La La La La La La La La
Love who you truly are, and I'm free because
you showed me how to . . .
