Hold my eyes
This morning sunshine's bright
It's blinding my fears away
I ain't got time for stalling
My mind's made up
There's only one way to be
Yeah

'Cause I got you
And well you got me
One heart we beat
Everything I need, oh
I've got you
Yeah
I said I've got you
Yeah

Bare feet
Falling waves
We see sand
For miles and miles
Like the common tone of this endless night
You sigh
Isn't life just wonderful?
Isn't life just beautiful?

'Cause I got you

And well you got me
One heart we beat
Everything I need, oh
I've got you
Yeah
Life is beautiful
And singing I've got you
Life is wonderful
Singing I've got you
Now life is beautiful
'Cause I've got you
And life is beautiful
'Cause I've, I've got you
Life is wonderful

And I've got you

I got you.

I've, I've got you
Life is beautiful
And singing I've got you
And life is wonderful
Oh, oh oh oh oh mmm
With you a by myside
