Throw Swell As
I Swell And Everyone
Can't See

And My Heart
Has Been Fast Enough
That Has Ever Been

My Phone Leaves Stone
And Everyone Can't See...
Yeah...

Then Looking Straight At Me...
Looking Straight At Me... Yeah
Looking Straight At Me

They Say You've Got It Easy
Making Music For A Living
We Ain't So Glamorous
Believe Me
Success Ain't Such A Giver

Mind Falls Lips Store
Cecilius Just Start A Ring
Yea... yeah

Expose For The Word
To See... Yeah

Yea... Ohh.
Looking Straight At Me x3
Mmm...
