Some people like to know
Where they've been
Where they're going tomorrow
I'm not one of those

Some people like to swim
With their eyes open wide
Lines to follow
I'm not one of those

Ooh oh

And my minds made up
Can I take this road?
And make it my home

Cause the sun don't shine here everyday
and there's a world out there to see

And so take my hand
Come with me, babe
You and I (oh I)
Got the world at our
Fee - ee - ee - eet
We got the world at our
Fee - ee - ee - eet

And now I never knew
Just how good it could feel
To be stood by the ocean
Felt like the first time that i
Saw your face
And felt your grace
I'd be lost without you
I'd be lost without you

And my mind's made up
Can i take this road
and make it my home

Cause the sun don't shine here everyday
and there's a world out there to see
